This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the South Carolina Telephone Coalition ("SCTC") for an extension of time in which to prefile its testimony regarding the application of DSLnet Communications, Inc. for a certificate of public convenience and necessity to provide facilities-based and resold local exchange telecommunications services throughout South Carolina. Although SCTC was originally scheduled to file its testimony by April 28, 1999, the Commission finds SCTC did not receive a copy of Commission Order No. 1999-226 setting the deadlines for filing testimony in this docket. Accordingly, SCTC shall prefile its testimony and/or exhibits on or before **April 29, 1999**, and shall serve all parties with copies as per the Commission rules.
